TOWN CLEAN UP

This project focuses on cleaning up debris and damage from the flood. Blenheim residents and volunteers will clean up and remove household items, debris from structures, and where possible, affected trees, vegetation, and stream bank debris.

Next Steps:

- Organize volunteer group(s)
- Sponsor volunteer clean up days
- Coordinate clean-up efforts with other groups/resources

MAIN STREET BEAUTIFICATION PROGRAM

This project seeks to establish a Blenheim "Main Street" with a strong core identity.

Next Steps:

- Organize volunteers to help households along Route 30 recover
- Determine and undertake small projects along Route 30 to boost town spirit and establish a Blenheim identity, including flowers and signage
- Investigate traffic calming options, such as a reduced speed limit within the hamlet
- Establish a Main Street Revitalization Team
